

## **Dobles de los famosos en Instagram: Dudarás de cuál es el «original»**

¿Tienen los famosos hermanos gemelos perdidos por el mundo? Suponemos que la mayoría no, pero sí hay dobles tan igualitos a algunas 'celebrities' que llegamos a planteárnoslo. Y a muchos, incluidos a nosotros, nos cuenta diferenciar el «original».

Una comunidad de Instagram denominada 'Same de la Same' se dedica precisamente a compartir fotografías de dobles de las celebridades de todo el

mundo. Y hay algunas que te dejarán sin palabras. Esta página es una idea de Freddy Silvinski que se inspiró en un juego al que él y su hermano jugaban cuando eran pequeños y que consistía en tratar de encontrar un parecido famoso a las personas que se iban encontrando por la calle.

Alucina con algunos de los dobles que puedes ver en esta comunidad:
